ABOUT ME

Final-year Computer Engineering student with strong knowledge in web development, object-oriented programming, and database management. Proficient in Java, Spring Boot, HTML, CSS, JavaScript, and MySQL. Eager to apply my skills in real-world software development projects. Known for being a quick learner, team player, and problem-solver. Seeking an entry-level role in software or web development.

EDUCATION

Government Engineering College, Patan Affiliated with Gujarat Technological University | 2022-2026

Bachelor Of Engineering in Computer Science & Engineering

Graduated : Present

Tops Technologies Pvt.LTD, Ahmedabad | 2025-2026

Course: Full Stack Web Development In Java With Spring Boot

PROJECT

Hotel Reservation System

Technologies used: Java, Servlets, Hibernate, HTML, CSS, Bootstrap

Developed a full-stack web application that allows customers to book hotel rooms and admins to manage reservations. Implemented user authentication, role-based access (admin/customer), and CRUD operations for reservations. Integrated Hibernate for database operations and used Bootstrap for responsive UI.

GitHub: https://github.com/utsav1005/HotelReservation_springJDBC

Portfolio Website

Tech Stack: HTML, CSS

Developed a responsive and user-friendly personal portfolio website to showcase my projects, skills, and achievements. The site features sections for About Me, Projects, Skills, Contact Form, and Resume. Implemented clean UI design and smooth navigation for a seamless user experience
